MANITOBA'S  
FASTEST  
GROWING  
MECHANICAL  
COMPANY.

## EXPERT MECHANICAL SOLUTIONS FOR MULTIPLE MARKETS.

At Cobra Mechanical, we are your trusted partner in mechanical and electrical contracting, delivering excellence in HVAC, plumbing, electrical, and gas fitting services for large-scale commercial and industrial projects.

We have a strong track record of successful projects in rural and First Nation communities. Our team brings this same level of expertise and dedication to large urban projects, ensuring that we meet the highest standards of quality and safety, regardless of the project's location.

## COMPREHENSIVE SERVICES

**HVAC:** From installation to maintenance, our HVAC solutions are designed to meet your specific needs.

**Plumbing:** Providing reliable plumbing services with a focus on efficiency and durability.

**Electrical:** Expert electrical contracting, handling complex systems with precision.

**Gas Fitting:** Professional gas fitting services for various commercial applications.

**Boilers and Hydronic Heating:** Advanced heating solutions that are energy-efficient and cost-effective.

# WHAT CAN WE DO FOR YOU

## Why Choose Cobra Mechanical?

Our unique experience in First Nation projects combined with our capability to handle large urban developments makes us a versatile and dependable choice. We bring innovative solutions, expert craftsmanship, and a dedication to excellence in every project.

## OUR COMMITMENT

- **Safety First:** We prioritize safety with rigorous training and strict adherence to safety protocols.
- **Experienced Leadership:** Our team is led by seasoned professionals with a successful history in diverse projects.
- **Client Satisfaction:** We pride ourselves on positive testimonials from major construction companies, reflecting our commitment to quality and reliability.

## TESTIMONIAL

"Cobra Mechanical provided comprehensive Division 15 services for our Northgate Shopping Centre project. They were able to complete their work in a timely manner even though there were numerous client initiated changes as the construction progressed."

Niall Mackintosh,  
Senior Estimator  
Marwest Construction LTD.

# SUCCESSFUL PROJECTS

At Cobra Mechanical, our expertise shines through in our successful projects, showcasing our capability to handle diverse and complex needs.

# 01

# ACTIVATE

## ACTIVATE

One notable project includes the renovation of Activate Games, where we upgraded their mechanical systems to enhance energy efficiency and performance. Our team's meticulous attention to detail ensured seamless integration of new systems, significantly improving the facility's overall functionality

## NORTHGATE SHOPPING CENTRE

In the Northgate Shopping Mall HVAC systems project, we delivered top-tier heating, ventilation, and air conditioning solutions, optimizing climate control for a comfortable shopping experience. Our approach not only met the stringent requirements of a large commercial space but also ensured long-term reliability and efficiency. This project highlights our ability to manage and execute large-scale HVAC installations with precision.
